Sub : Security measure for bi-cycle distribution programme across the State.

Sir,

This has reference to the discussions we had regarding security measures at various Points of delivery of bi-cycles at Block/ Municipality level across the State in connection with the programme for distribution of bi-cycles to the students of class X and XII under the Government of West Bengal Scheme titled "Sabooj Sathi". Nearly 20 lakh students of Govt./ Govt. aided/ Govt. sponsored schools and Madrashes will be covered under the programme within a span of six months. The programme is being implemented by Backward Classes Welfare Department as the Nodal department.

Dispatch of consignments of bi-cycles in knocked down condition have already commenced from Ludhiana by Avon and Hero Cycles and from Chennai by TI cycles. It is expected that more than 3500 trucks will arrive over the next 4 months; each truck will carry approximately 525 to 550 bi-cycles in knocked down condition. The consignments will reach various identified points at Block/ Municipality level. Bi-cycles will be assembled at those selected points and thereafter sent to respective schools for distribution to the students.

All the districts have already formed a dedicated cell and a Nodal officer has already been designated. It is requested that necessary instructions/directions may kindly be issued to all the "Superintendents and Commissioners of Police" to provide vigil and Police protection for carrying out the entire operations. The List of the Nodal officers and Phone Numbers is enclosed for reference. The SPs/ Commissioners can collect the list (Enclosed) and other details of the assembly centres from the respective Nodal officers. District Magistrates of all Districts are kept informed.

Encl: As stated.

Yours faithfully,

Jhadeek
